

LIST OF FUNGI FOUND ON CLARA CUMMINGS WALK Lawrence Millman

1. *Arachnopeziza* sp. — cup fungus/ascomycete
2. *Athelia* sp. — crust fungus/basidiomycete
3. *Chlorociboria aeruginascens* (Green Stain) — from cup fungus/ascomycete
4. *Daedaleopsis confragosa* (Thin Maze Polypore) — polypore/basidiomycete
5. *Daldinia childiae* (Cramp Ball) — pyrenomycete/ascpmycete
6. *Dendrostilbella prasinula* — asexual ascomycete
7. *Dendrothele* sp. — crust fungus/basidiomycetre
8. *Diatrype stigma* — pyrenomycete/ascomycete
9. *Diplommitorus lenis* — polypore/basidiomycete
10. *Fuligo septica* (Dog Vomit Slime) — slime mold
11. *Ganoderma applanatum* (Artist's Conk) — polypore/basidiomycete
12. *Henningsomyces candidus* — cyphelloid crust fungus/basidiomycete
13. *Hyaloscypha* sp. — cup fungus/ascomycete
14. *Hydnoporia olivacea* (Olive Tooth Polypore) — polypore/basidiomycete
15. *Irpex lacteus* (Milk White Tooth Polypore) — polypore/basidiomycete
16. *Kretschmaria deusta* (Carbon Cushion) — pyremomycete/ascomycete
17. *Lachnum* sp. — cup fungus/ascomycete
18. *Lophodermium pinastri* — black spot on dead pine needle/ascomycete
19. *Macroderma curtisii* (Holly Tar Spot) — on holly leaf/ascomycete
20. *Mollisia cinerea* (Grey Cup) — cup fungus/ascomycete
21. *Mollisia* sp. — cup fungus/ascomycete
22. *Nothopanus candidissimus* (White Oysterette) — gilled basidiomycete
23. *Orbilbia* sp. — cup fungus/ascomycete
24. *Panellus stipticus* (Night Light) — gilled basidiomycete
25. *Peziza varia* (Brown Cup) — cup fungus/ascomycete
26. *Peniophora cinerea* — crust fungus/basidiomycete
27. *Phaeocalicium polyporaeum* (Fairy Pin) — ascomycete
28. *Phellinus ferruginosus* — polypore/basidiomycete
29. *Sarea resinae* — ascomycete in pine resin
30. *Stereum complicatum* (Crowded Parchment) — crust fungus/basidiomycete
31. *Stereum lobatum* (False Turkey Tail) — crust fungus/basidiomycete
  
32. *Stereum striatum* — crust fungus/basidiomycete
33. *Trametes conchifer* — asexual polypore/basidiomycete
34. *Trametes versicolor* (Turkey Tail) — polypore/badiomycete
35. *Trichaptum abietinum* (Violet Toothed Polypore) — polypore on pine wood/

basidiomycete

36. *Trichaptum biforme* (Violet Toothed Polypore) — polypore on hardwoods/

basidiomycete

37. *Xylobolus frustulatus* (Ceramic Parchment) — crust fungus/basidiomycete
